

Page Turner

#158860

2002 bay gelding

Longview Sundance x FZM Lady Hamilton

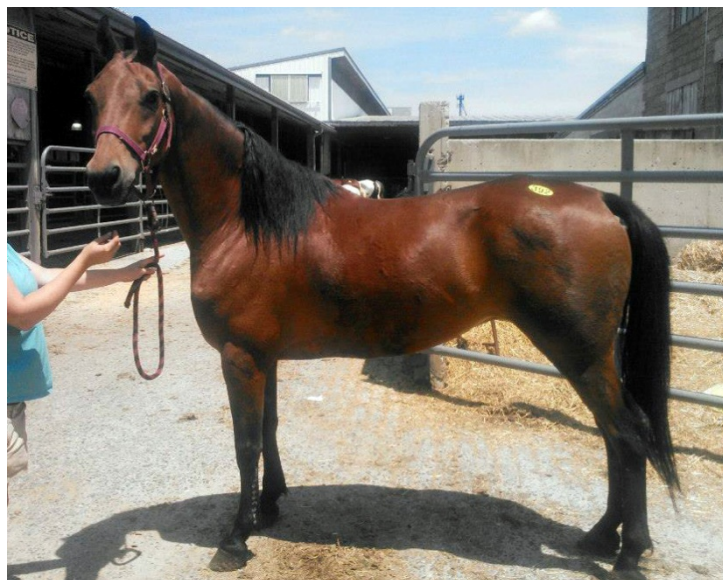

Adoption fee: \$800

Rescued June 2014

Fostered in Pennsylvania

Page Turner is quite the head turner, and he knows it! He is said to ride and drive and has a stellar pedigree. He is well-mannered and easy to work with. His foster home will be evaluating him for riding and driving.

His initial training was with a well-respected Mennonite horse trainer; he went through the Buckeye Sale as a 3-year old, where he was described as "Lots of motion and plenty of attitude. Cute & outstanding ... show prospect or a fancy buggy horse." A former owner described him as "a grand horse with a great work ethic" who is very easy around other horses. He was surprised to learn that such a nice horse ended up at a kill buyer auction, and would very much like to get updates from Page Turner's adopter. The horse never had any lameness issues with him, but he does have pinfiring scars from a later owner. He is a handsome boy with a nice personality.
